

Name _____

Sort 17 – Derivational

Adding Suffixes: Other Consonant Alternations

Sort your words into the base and derived pairs. Alphabetize each column when you write them down. Do NOT rewrite the guide word in bold.

Base word /k/	Derived word /s/	Base word /s/	Derived word /sh/
critic	criticize	office	official

Definitions – The words *politics*, *political*, and *politician* all come from the Greek word *polis* which means “city”. In classical Greece, the city was the primary form of government, not the nation or country. With this knowledge, use each word below to write a meaningful sentence with 8- 10 words.

politics-

political-

politician-

Match the spelling words to their meanings:

To find fault or judge harshly		r			i		i		
Open to all people			u					c
